The Honorable Sam Graves

and Infrastructure

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the U.S Army Hopson Junior Memorial Bridge (State Project No. S324-52-24.52 00) in surface transportation reauthorization legislation.

The project sponsor for this project is the West Virginia Department of Transportation and the project is located about 1.35 miles east of the Junction of U.S. Route 119, near Logan, Logan County, West Virginia.

The funding is designated for the development of a new bridge to replace the existing 79' wide by 477' long bridge that is in serious disrepair.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits of continuing to safely connect the citizens and the commerce of the region to major thoroughfares.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carol D. Miller
Member of Congress
